

HEELING SOLES

HELPING PEOPLE WALK TOWARDS BRIGHTER FUTURES

HEELING SOLES is committed to aiding in the eradication of poverty in our local and global communities. We have a comprehensive objective which includes creating an atmosphere which will strengthen and if necessary, build an infrastructure capable of supporting economic growth. We will provide the means for educational upliftment and also mental and physical well being for young and old alike. HEELING SOLES will also fund and support early childhood development and trade programs. We clothed, feed and shelter those that are less fortunate and provide a sense of hope and belonging, thus building stronger people and communities.

Without the participation of our current donors what is currently HEELING SOLES could not have been realized and without future participation from new donors the ultimate vision will not be a reality. HEELING SOLES is in need of donations, material and monetary and we appreciate all that is given.

I would like to donate:

\$25 ___ \$50 ___ \$100 ___ \$150 ___ \$200 ___

Other _____

Non-monetary Donation

*No goods or services were exchanged in return for this contribution

Please retain this receipt as a written acknowledgement of your contribution, especially if the value of this donation was \$250 or more.
